AWARD 5-50-87

Minority Business Enterprise (MBE) is a business of which at least 51% is owned and controlled by minority group members. ("Minority" means Black, Hispanic, American Indian, Asian, Pacific Islander, and Alaskan Native). The minority owners must exercise actual day-to-day management, as well as actively participate in management and policy decisions affecting the business. The contribution of capital, equipment or expertise made by the minority owners must be real, substantiated and documented.

Women Business Enterprise (WBE) is a business of which at least 51% is owned and controlled by women. The women owners must exercise actual day-to-day management, as well as actively participate in management and policy decisions affecting the business. The contribution of capital, equipment or expertise made by the women owners must be real, substantiated and documented.

The contract for which this proposal/bid is prepared is governed by the MBE/WBE Ordinance. This form must be completed in order to be responsive to this IFB/RFP. If the participation goal of 7% for MBE and 2% for WBE are not met or exceeded in your bid or proposal, the reasons for this failure and reasonableness and good faith of efforts to meet this goal shall be evaluated in determining whether the bidder/offeree is responsible.

A list of possible MBE/WBE contractors/suppliers are on file in the Compliance Office, Room 800, City-County Building, for Contractor review.

THE FOLLOWING IS THE UNDERSIGNED'S COMMITMENT TO THE MBE/WBE GOALS OF THE CITY FOR WORK DONE PURSUANT TO THIS CONTRACT:

- A. _____ The undersigned firm certifies that it is an MBE/WBE Contractor (cross out inapplicable provision).

For MBE specify percentage of minority ownership
_____ %.

For WBE specify percentage of women ownership
_____ %.

- B. _____ The undersigned certifies that they are a joint venture in which the following (MBE/WBE) firm _____ (cross out inapplicable provision) is a joint venture partner.

The MBE/WBE firm (cross out inapplicable provision) shall have _____% participation (employees) _____% participation (costs) in this project.

Specify the percentage of minority/women ownership in the MBE/WBE firm _____%. (cross out inapplicable provision)

- C. The undersigned commits 7% of the total bid price as a subcontract to minority business enterprise participation. The MBE firms which are proposed as subcontractors are the following:

<u>Name of Firm</u>	<u>Address</u>	<u>Type of Work</u>
1. Ardmore Asphlt.	Fort Wayne	Asphalt
2. West Acres	Fort Wayne	Landscapeing
3.		

- D. The undersigned commits 2% of the total bid price as a subcontract to women business enterprise participation. The WBE firms which are proposed as subcontractors are the following:

<u>Name of Firm</u>	<u>Address</u>	<u>Type of Work</u>
1. Buzzard Bros. Trucking	Zanesville	Trucking
2.		
3.		

- E. Complete (1) and (2) below if participation goals of 7% MBE and 2% WBE have not been met.

1. My Company cannot meet the participation goals for the following reasons: _____

2. We have taken the following steps in an attempt to comply with these participation goals: _____

14. Minority/Female Hourly Employment Requirements.

The City's policy is to encourage a greater utilization of minority and/or female employees in City construction projects. The Board has, therefore, adopted a minimum goal of 17% of the total work hours on each project to be expended by minority and/or female employees. ("Minority" shall include: Blacks, Hispanic, Asian, Pacific Islander, American Indian or Alaskan Native.)

The bidder shall state in "A" below the percentage of total work hours which the bidder and his subcontractors will employ and utilize women and minority employees on this project. If a contract is awarded as a result of this bid, the percentage figure set forth in "A" shall become contractually binding on the bidder. The successful bidder will also be required to prepare reports for the City demonstrating compliance with this percentage and will allow city officials access to his records, facilities and work site and to those of his subcontractors to determine compliance.

The bidder must fill in the required blanks in this clause in order to be responsive to this IFB. If the bidder does not meet or exceed the hourly utilization goal of 17% minority/female participation, the reasons for this failure and reasonableness and good faith of efforts to meet this goal shall be evaluated to determine whether the bidder is responsible.

THE FOLLOWING IS THE UNDERSIGNED'S COMMITMENT TO MINORITY/FEMALE HOURLY UTILIZATION.

A. The undersigned firm certifies that it will employ and utilize minorities and females and/or will ensure that its subcontractors employ and utilize minorities and females so that minorities and females will work at least 17% of the total hours worked on this project.

B. Complete (1) and (2) below if the hourly utilization figure set forth in "A" is less than 17%.

1. My Company and its subcontractors cannot meet the 17% minimum hourly utilization figure for the following reasons:

2. My Company has taken the following steps in an attempt to comply with the 17% hourly utilization figure:

15. Required Prevailing Wage Schedule Payments - Pursuant to Indiana Code 5-16-7-1. All contractors and subcontractors working on the project awarded pursuant to this contract shall pay the prevailing wage rates for skilled, semi-skilled and unskilled laborers, workmen and mechanics. This wage determination has been made in accordance with the procedures set forth in Indiana Code 5-16-7-1. This determination and the required wage rates are available for examination by any prospective bidder at The Board of Public Works and Safety, 9th Floor, City-County Building, Fort Wayne, Indiana.

If a bidder is awarded a contract as a result of this Invitation for Bids, he/she/it shall file a schedule of wages, on forms provided by the City of Fort Wayne, demonstrating compliance with the wage rate determination. The successful prime contractor shall be responsible for obtaining schedules from all subcontractors. All schedules shall be filed before the contractor commences any work on the project.

Penalties for failure to pay the prevailing wage rate are set forth in Indiana Code 5-16-7-3.

16. Site Orientation. A site orientation ~~(which)~~ will not be conducted by the City Engineers. If such an orientation is conducted, it will be held on the ____ day of _____, 19____, commencing at ____ o'clock ____ M. at the site of the project.

Regardless of whether a site orientation is conducted or not, bidders are required to visit the site of the work, and inform themselves fully of the conditions, under which the work will be performed. The bidders shall be responsible for all conditions that affect the work, including, but not limited to all sub-surface conditions.

SCHEDULE
Board of Public Works & Safety

The Contractor agrees to furnish at his/her/its own cost all labor, insurance, materials, equipment and power for the complete performance of the following project:

Bass Road Sanitary Sewer Extension
Resolution 906-86

All work will be performed in accordance with: Resolution #906-86, the IFB, this contract and the applicable plans, specifications and drawings for a TOTAL PRICE OF \$ 57,166.90. (If unit prices are applicable, the contractor agrees to perform for those unit prices as set forth in the Schedule of Unit Prices attached hereto.)

The work shall be commenced within ten (10) days after the Board issues a written "Notice to Proceed". All work shall be completed within 90 days after issuance of the Notice to Proceed. Those days which the contractor cannot work because of severely inclement weather shall not be counted.

Liquidated Damages Provision. (This clause shall be applicable to this contract only if the box contains a checkmark or an "X",) It is hereby agreed by and between the City of Fort Wayne and Contractor that time is of the essence of this agreement and the contractor agrees that it will complete the project as herein defined on or before N/A days after issuance of the Notice to Proceed. The parties agree that it is a business and governmental necessity that the project be completed by this date, that it will be difficult or impossible to make an accurate determination of the damages that would be incurred by the City of Fort Wayne, and therefore, provide for liquidated damages in the sum of \$ N/A per day for each and everyday after N/A days after issuance of the Notice to Proceed that the project remains uncompleted. The parties agree that the sum of \$ N/A per day is a reasonable estimate as to the damages which would be incurred by the City of Fort Wayne. The parties further agree that causes beyond the control of the contractor may delay the completion date. Therefore, the parties agree that delays in the completion day beyond the control of the contractor shall not result in liquidated damages.

Delays beyond the control of the contractor can include but are not necessarily limited to, the following: Acts of God, strikes, lockouts or industrial disturbances, acts of public enemies, restraining orders of any kind by the government of the United States of America or of the State of Indiana or any of their departments, agencies, or officials, or any civil or military authority, insurrections, riots, landslides, earthquakes, fires, incapacitating storms, floods, and explosions.

"BASS ROAD SANITARY SEWER EXTENSION"
Resolution 906-1987

RESOLVED by the Board of Public Works & Safety that it is deemed necessary to improve the Bass Road area by the construction of sanitary sewers, in the following described area:

Bounded on the North and East by Leesburg Road on the South by the South right-of-way line of Bass Road and on the West by the Corporate limit line of the City of Fort Wayne.

Sanitary Sewers

The construction of a main sewer which from its size and character is not only intended and adapted for use by property holders, whose property abuts the line of said sewer, but is also intended and adapted for receiving sewage from collateral drains already constructed or which hereafter may be constructed, be and the same is hereby ordered in and along the following described sewer line:

Main Sewer

Beginning at an existing sewer manhole located at the Northeast portion of the intersection of Leesburg and Bass Roads; thence West a distance of 1,235± LF terminating at a proposed sewer manhole.

Said sanitary sewer shall be 10 inches in diameter.

And, said improvements with all appurtenances shall be constructed in accordance with the plans, profiles and specifications now on file in the Department of Public Works & Safety of said City.

The property holders share of said improvement shall be apportioned against and paid by the said property holders benefited by said improvements all according to the method and manner provided for in the Acts of the General Assembly of the State of Indiana, effective 1 September 1981 and the provisions of all acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal installments with interest at the rate of nine (9%) percent per annum as set by the Board of Public Works & Safety and shall be financed under Barrett Law Revolving Funds as provided for in the above-entitled acts.

All proceedings and any work done on said improvements, assessments of property collection of assessments and issuance of bonds, therefore, shall be as provided for in said above-entitled acts and all amendments thereto and supplemental thereof.
